**Subject:** RE: SEP 14 SMT Call

Dear All,

I have not heard back from the Tribal SMT members regarding a call tomorrow, which appears to be the best date for those who have responded (11:00 EDT). If Susan, Danny, Bill would advise their availability for a call tomorrow, I will send an evite. Otherwise, we will need to look at the dates previously conveyed for next week (June 20, 22, 24 – 11:00 EDT or 2:00 EDT).

Best,  
Liz

**Subject:** SEP 14 SMT Call

Dear All,

Please let me know your availability for a call as follows:

**June 17, 20 22, 24 at either 11:00 or 2:00 EDT**

Purpose of the call will be to plan the Tribal Council briefing as required under the CEP. I would ask the Tribal SMT members to check with the Council prior to the call and obtain available dates. This will assist in coordinating calendars with David Hoel and Dominik Alexander.

Best,  
Liz
